

**PREREFERRAL INTERVENTION STRATEGIES  
and RESPONSE TO INTERVENTION**

Prior to referral to the Committee on Special Education (CSE), a student suspected of having a disability must be provided with appropriate interventions to allow a reasonable opportunity for remediation of the student's performance prior to referral for special education. The Superintendent is directed to develop appropriate pre-referral interventions and develop and implement school wide approaches which may include a response to intervention process pursuant to Section 100.2(ii) of the Commissioner's Regulations.
