

**VOTER PRE-REGISTRATION OF STUDENTS POLICY**

In accordance with the New York State Elections Law, the Board establishes a practice of registering and pre-registering students at the age of 16 years old to vote. Upon turning 18 years old, the students will then be automatically registered with the Board of Elections. The District will not tie voter registration to any course requirement or graded assignment. The Superintendent is directed to develop procedures for voter registration and pre-registration of students.
