SAT INFORMATION

Now's a good time for seniors to consider signing up for the SAT. And if you've already taken it, retaking the SAT in August or in the fall of your senior year is likely to boost your scores (and open more college admissions opportunities). Testing in August will ensure that you have your scores back in time to meet deadlines for early admission.

To get ready for test day, be sure to use Official SAT Practice on Khan Academy®. Through this free, personalized practice plan, you can prepare for the SAT with ease and focus on the areas you need to improve the most.

Registration for the SAT is open to all students for the 2021-22 school year.

To register go to sat.org/register

U.S. Merchant Marine Academy Virtual Q&A Admissions Session

I want to inform you about a virtual admissions Q&A session for students interested in attending the United States Merchant Marine Academy (USMMA), one of the five federal service academies that include West Point, Annapolis, Air Force, and Coast Guard academies.

Date: August 31, 2021

Time: 6 p.m. ET

Who: All interested students

What: Virtual question and answer session with some of our outstanding Midshipmen. This will be the perfect opportunity to learn about the admissions process and what it's really like to attend USMMA.

After registering, you will receive a confirmation email containing information about joining the meeting.

Federal Service Academies are not for everyone but we encourage those students looking to serve their country and accept a demanding academic schedule to apply. Like all federal service academies, there is no application fee for USMMA.

Our rigorous four-year academic program is highlighted by the Academy's Sea Year experience. Through this unique program, every student gains real-world leadership experience working aboard commercial ships sailing to ports around the world during three academic terms. Our students pursue a degree in one of five majors offered through two Academic Departments: Marine Engineering and Marine Transportation. Students receive full tuition, room and board, and books at no cost.

Graduates of the United States Merchant Marine Academy earn a Bachelor of Science degree, a U.S. Coast Guard license, and a commission in the United States Armed Forces. Our graduates have an option to work as ship's officers in the United States maritime industry or serve as commissioned officers on active duty in any branch of service.

FIT is now accepting applications for all programs for Fall 2022 admission. Select programs are also available for Spring 2022.

More Information from the Guidance Office

School Supplies

We have a supply of pens, pencils, notebooks, loose leaf paper, folders and index cards available in the Guidance Office for those who may need something. First come, first served. See Mrs. Davis

GUIDELINES FOR COMING TO THE GUIDANCE OFFICE:

This year, to keep everyone as safe as possible, we will only be allowing one student at a time in the Counselors' office and one person in the waiting area at a time. When coming in, please stop at Mrs. Davis' desk to make an appointment to meet with Mrs. Carey. Remember that you must wear a mask at all times while in the Guidance Office Suite.

FOR SENIORS:

This year we are not allowing in school visitors. This includes college and military representatives. If there is a school or military branch you would like to learn more about, check their website for contact information. Mrs. Davis will send out information regarding contact people as they come in. If you are interested in a particular school and are having difficulty in finding contact information please see Mrs. Davis.

Hope you all have a good first week back! If you have any questions or concerns please contact us for an appointment to come into the office.
