---

## Here's a checklist!

You should have the following information and documents with you as you fill out the *Free Application for Federal Student Aid* (FAFSA<sup>SM</sup>):

- Your Social Security number
- Your parents' Social Security numbers if you are providing parental information\*
- Your driver's license number if you have one
- Your Alien Registration Number if you are not a U.S. citizen
- Federal tax information or tax returns including IRS W-2 information, for yourself and spouse, if you are married, and for your parents if you are providing parental information
  - If you have not yet filed an income tax return, complete and submit the FAFSA using estimated tax information
  - Use income records for the year prior to the academic year for which you are applying: for instance, if you are filling out the 2010–11 FAFSA, you will need 2009 tax information
- Records of your untaxed income, such as child support received, interest income, and veterans noneducation benefits, for yourself, and for your parents if you are providing parental information
- Information on cash; savings and checking account balances; investments, including real estate but not including the home in which you live; and business and farm assets for yourself, and for your parents if you are providing parent information
