

OXFORD ACADEMY SUMMER PROGRAM

Monday – Thursday
July 6 – July 29, 2021

Teaching Positions for Reading/Math/Science Classes are for:

- Incoming UPK – 6th grade

*Candidates must be willing to help students develop in reading and writing, expose them to a variety of genre of literature, support their understanding of literature through discussion, art projects, and writing. Candidates must be willing to expose students to basic math skills using creativity. The goal is to also incorporate science through hands-on activities. Candidates must be committed to **attending the planning meetings** prior to the start of the program and being present from **8:30-12:30** for all 15 days of the program. Candidates must assist students as they arrive for breakfast and help with lunch and dismissal. Valid NY State Teaching Certification preferred.*

Stipend: \$1,920

Position for Art Classes is for:

- Incoming Kindergarten – 6th grade

*Candidates must be willing to provide art instruction and experiences to all students enrolled in the summer program. Candidates must be committed to **attending the planning meetings** prior to the start of the program and being present from **8:30-12:30** for all 15 days of the program. Candidates must assist students as they arrive for breakfast and help with lunch and dismissal. Valid NY State Teaching Certification preferred.*

Stipend: \$1,920

Positions for Support Staff are for:

- Incoming UPK – 6th grade

*Candidates must be willing to provide support to the teacher and students in carrying out classroom activities. Candidates must be committed to **attending the planning meetings** prior to the start of the program and being present from **8:30-12:30** for all 15 days of the program. Candidates must assist students as they arrive for breakfast and help with lunch and dismissal.*

Stipend: \$1,450
